

Eastwood Montreux Short Programs Portfolio

2025-2026

Overview

Eastwood Montreux offers **three distinctive short programs (1-2 weeks)** designed to support student development through academic enhancement, resilience building, and life purpose exploration.

Each program combines structured learning with alpine activities to create transformative experiences for groups ranging from 15 to 50+ participants.

Program 1

IB Excellence Intensive

Key Components

Academic Support 10 hours of specialized IB training (1-week program) or 20 hours (2-week program)

Personal Development Additional lectures on self-awareness and resilience, specifically tailored to test-taking success, given by trained coaches and educators

Elite Instruction Led by specialized IB trainers, many of whom are IB examiners

Proven Excellence Instructors from Eastwood Global Online, which achieves an average IB score of 39

Skills Development

Test-taking strategies and self-regulation techniques

Seasonal Activities

Winter: 3 days of skiing integrated into the program

Fall/Spring: Alpine hiking, outdoor leadership activities

Online Learning
